

READING,

an important key to school success

DEAR PARENTS,

Today in class we read the book *Le gros monstre qui aimait trop lire*. Tonight, your children will invite you to draw with them. Draw a picture of your house (bedroom, living room, kitchen, yard, etc.) by adding some colour and inserting a monster that reads your child's favourite book. Once the work is completed, send it back to school.

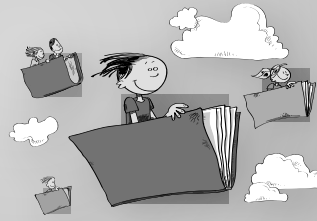

Don't forget to have fun!
