

READING,

an important key to school success

DEAR PARENTS,

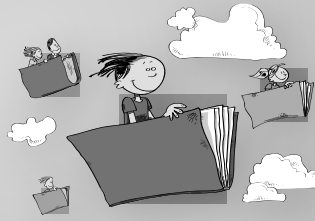

Today in class we read the book *Le bon petit livre*. Tonight, your children will invite you to decorate two pieces of a quilt, where you can write the title of one of your favourite books in each square. Let your imagination run wild! Once the work is completed, send it back to school.

Don't forget to have fun!

Two large rectangular quilt patterns, each consisting of a solid outer border and a dashed inner border, with a grid of 'X' marks representing quilt squares in between. They are intended for coloring and writing book titles.
