

NOTABLE ACHIEVEMENTS

These notable achievements
are taken from the [R3USSIR
Annual Report 2024-2025](#)
(in French only).

Raising Awareness for Success

- A new campaign celebrating the importance of graduating!
- Over 290 partners rallied and 26,800 young people in Estrie reached through the À Go, on lit! reading initiative.
- A wave of green for the 16th edition of Hooked on School Days.
- A record 420 signups for the My Boss Is the Best contest.

Coming Together and Co- constructing

- A promising first year for initial collective action thanks to the launch of a new concerted strategic planning process.
- A resounding success with the Jasons Éducation event: 200 stakeholders engaged!
- A common vision of training-employment matching to encourage working together.

Equipping People to Act

- A new study illustrating the costs and impacts of school dropout on Estrie's economic development.
- A \$759,606 investment supporting seventy-three projects across Estrie.
- Multiple investments over the summer, including a pilot project to support the inclusion of newcomer children, plus more turnkey activities in reading and science for the region's day camps.
- The Thinking BIG With Parents project featuring eleven concrete tools and nine local projects to support families.
